

Student absences: Reminder: **We always need a parent contact if students are absent, returning to school from an appointment, illness or other absences.** Please call, email or send a note if your child is absent, arriving late or leaving early as soon as possible in the day. While we appreciate the student telling us they were at an appointment, we still require a parent contact. We also record the reason for every absence, so please provide specific information. Examples: Doctor appointment, dental appointment, out of town, etc. Just an appointment is not specific enough as some appointments like haircuts are not excused absences, so clarification is helpful. Please refer to page 2 and 3 of the Middle School Handbook for information regarding absences. The link for the MS Handbook is on the MS home page and the newsletter page.
