

Success Lab

Success Lab is a place where middle school students are invited to come and get some assistance on homework. Every Tuesday and Thursday from right after school until 4:30 student are able to come to the library.

Mrs. Suzette Kragenbrink and Mrs. Susan Maurice will be the teacher supervisors this year. We will again have Cornell student volunteers to also help students.

Students may stay as long as is necessary. If they are finished at 4:00, they may walk home. Success Lab isn't meant to be a punishment but a place students can get some assistance doing homework, catching up on missed assignments or getting organized to be more productive.

There will be a healthy snack offered to students as well!
If you have any questions please feel free to contact Mrs. Kragenbrink at skragenbrink@mvcasd.org
